Student Evangelization, Education, and Development
For the Children of the Philippines
A Ministry of *Arise & Shine Evangelistic Association*

January-March 2011

This report is produced quarterly as a means of informing our wonderful sponsors of "what's happening" at our schools. We would also love to hear from any of you if you have something to share about your part in our program! All of us at ASEA thank you for helping us help the children of the Philippines.

"Our Future, Our Hope"

Our Graduation Theme this year was "Our Future, Our Hope" taken from Proverbs 23:18, "There is surely a future hope for you, and your hope will not be cut off." We here at ASEA want to instill in the hearts of our students that we have the best hope in future in the promises of God that He gave us in His WORD.

At the Graduation ceremony, the Vice-Mayor of Cabuyao, Atty Rommel Geolea spoke about how his mother help him to have hope in the future by helping him study everyday. He told the students that he is only an average student but because he knows that his future lies on what he is doing today, which causes him to study hard and read almost 1000 pages a day in order to pass the exams. He also cited that with God's help we have a secure hope and future. What an encouragement to hear the Vice-Mayor give thanks to God!

"To give them beauty for ashes, the oil of joy for mourning, The garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the Lord, that He may be glorified."

Isaiah 61:3

Testimonies & Thanks From A Couple Graduates

“And they have conquered him by the blood of the Lamb and by the word of their testimony, for they loved not their lives even unto death.” Revelations 12:11 ESV

At this juncture, I challenge those students not to be discouraged about the things which serve as an obstacle rises on their way. Make the most of yourself; it doesn't matter even if you don't get to be on top. It's not the aptitude but the attitude that will bring you to the higher altitude. Whatever road you may take, just remember that God is all powerful, so we must keep our trust in Him.

Thank God for He blessed and supplied me a seed of wisdom through a Godly foundation at Arise and Shine Academy. For enabling strength, guidance and endowed me with qualities and talents to serve Him. In fact, He also blessed me with people who did not leave me along the way. To my dearest Papa Charlie, Mama Fely and to my siblings, thank you for your punctual support, effort, love, advices and words of wisdom which no body can heartily and constantly give. I myself can testify their desire of being a part of giving me a good future. Thanks also to Wood family, Lagazo family, Logan family, Sames family, Thomases family, Randalls family, Alberto family and to my beloved sponsor Judson and Betsy Crane (My Dad and Mom J). You're really having a big part in this success. I appreciate your help not only in my financial needs but most importantly by touching my heart and giving me inspiration. Thank you for enduring impression you've made. I'll treasure it forever and will serve as my guide in fulfilling my duty as a professional and faithful servant of God.

Thank you very much for this opportunity to be a part of the ASEAN program for 10 years. I'm expressing my deepest gratitude to all the people enfold in this ministry. May God continue to use you in fulfilling His will for every student in this program. Praise God! FOR ALL THE GLORY BELONGS TO HIM.

Have you experienced happiness in your high school life? I did. I have enjoyed my high school because of good friends. Especially to all my classmates that always right beside me even in times of trouble. That makes me happy when I'm sad. Friends are very important to me. I love having many friends I know that I have a very loving friend and that is Jesus Christ; He is my very best friend, He is always there to help me and to comfort me. I really enjoyed doing my PACEs. I'm so happy because God allowed me to be study in Arise and Shine Academy to learn good things. I've learned to pray whenever I struggle with my subject. The most important thing that I enjoyed in high school life is learning God's Word and also be able to preach the gospel. I learned more about God and His son Jesus Christ, who is our Savior.

I Thank the Lord for all the people who make me happy. For all the teachers, pastors, classmates and schoolmates I encountered here in school. I want also to thank the Lord for my sponsor, for all the love and support I had in my studies. I am so blessed that God gave me a very loving sponsor.

I will never forget all the happiness I experienced as a high school student. I am so blessed to have a big God.

Blessings & Honors belong to God. I thanked the Lord for giving me opportunity to study @ Arise & Shine Academy. For 4 years of staying here I have learned a lot of things to value life and talents that the Lord bestowed upon me.

I learned to be independent on God's Word & Keep all his promises. I had a lot of things encountered like struggling in doing Pace's Works and doing a lot of home works. But Praise be to God for giving patience and knowledge to do my task.

During the first day of schooling I felt alone and nobody, but thank you to my new classmates and teachers who encouraged me to do well. I become stronger person and responsible student little by little. Now I proudly say that I have finished the race that God has set for me here in this school. There are a lot of things that I've learned Biblically from my mentor who never give-up on me... Thanks to Pastor Noel Alberto, Pastor Mar Reyes, Pastor Allan Gurieza & Sir Craig Logan who always stand on my side for to me become strong and effective individual and to you my Dear Alma Mater Arise & Shine Academy... Now, I'm proudly say's that I am Asians'! Proud to be ASAians.. God Bless you all!..
